In response to your March 14, 2014 notice the FEC report is being amended to:

1. Report the correct election cycle (General 2014) for the contribution from Carpenters Legislative Improvement Committee from December 17, 2013.
2. NACO Responsible Distribution, LLC is treated as a partnership for tax purposes and has not elected to be treated as a corporation by the Internal Revenue Service.

In Addition, the amended report will include a contribution to the committee's paypal account that was omitted from the originally filed FEC report.

If you have any other questions, please do not hesitate to contact the committee.

Sincerely yours,

Jerome Hurckes
